

If you want to witness the most imposing ceremony and the most brilliant scene of the season, you must come to the M.E. Church South to-night, where Miss Katie Martin will be united in the holy bands of wedlock, to Mr. J. A. Glandon, by Dr. Vincil. All are invited to the church. After the ceremony they will adjourn with invited friends to the Martin House where there will be a grand reception.

#### FASHIONS WHISPERINGS.

Printed by request of lady friends. Velvet will be the fashionable material for dress bonnets.

Many tourists are investing in Indian costume costumes.

The most fashionable ear-ring are arrows of small diamonds.

There are bright silk pocketa introduced to wear with any toilet.

The new blue-violet velvets make a charmingly into fascioid bodi;

Silk skirts of cardinal red are talked about to wear under cream colored polonaises.

Silk cords for fans and chatelaine bags, and monire bows for the same purpose, are replacing metal hooks and chains.

There are velvets of two colors, such as Havana brown, and chestnut brown, separated with thin yellow lines of satin.

The new navy blue is almost black, it is so dark in shade, and it is most stylish when in combination with cardinal red.

The crowns of some of the new capotes are made entirely of feathers, and the brim is bordered with a brand to correspond.

In artificial floral trimmings foliage is preferred to flowers, especially dark, quaint autumn leaves, spotted as if by decay.

Long and ample strings, tied under the chin, are likely to be worn on bonnets. They are grown grain on one side and satin on the other.

Ostrich plumes so long in vogue, will give way for a time to blue-green lophophore feathers, the plumage of the black birds, guineas, peacocks, ducks, gulls and Russian green cocks.

New sleeve-studs represent a calendar, with the date of the month and the name of the saint for the day. On one of the blank spaces is the name of the wearer, and on the other that of the donor.

A French paper relates that, many years ago, Victor Hugo, when about to make his journey through Germany which inspired his book, The Rhine, called at the passport office, when the following conversation took place with the clerk.

Your name, if you please.  
Victor Hugo.  
Age?  
Thirty-three.  
Profession?

The poet lifted proudly his Olym pian front, and replied, with majesty, 'Founder of my school.'

Very well. Write—turning to another clerk—write out a passport for M. Victor Hugo; age, thirty-three; school-teacher.

## DR. C. McLANE'S

CELEBRATED

## LIVER PILLS,

FOR THE CURE OF

Hepatitis or Liver Complaint,

DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are constive, sometimes alternating with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

## AGUE AND FEVER.

DR. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them A FAIR TRIAL.

For all Bilious derangements, and as a simple purgative, they are unequalled.

## BEWARE OF IMITATIONS.

The genuine DR. C. McLANE'S LIVER PILLS are never sugar coated. Every box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS.

The genuine McLANE'S LIVER PILLS bear the signatures of C. McLANE and FLEMING BROS. on the wrappers.

Insist on your druggist or storekeeper giving you the genuine DR. C. McLANE'S LIVER PILLS, prepared by Fleming Bros., Pittsburgh, Pa.

Sold by all respectable druggists and country storekeepers generally. To those wishing to give Dr. C. McLANE'S LIVER PILLS a trial, we will mail post paid to any part of the United States, one box of Pills for twenty-five cents.

## CENTAUR

## LINIMENTS.

[Letter from a Postmaster.]

"ASTROON, ILL., Dec. 1, 1874.

"Messrs. J. B. Rose & Co.:  
"My wife has, for a long time, been a terrible sufferer from Rheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment. I am rejoiced to say this has cured her. I am doing what I can to extend its sale.

W. H. RING.

This is a sample of many thousand testimonials received of wonderful cures effected by the Centaur Liniment. The ingredients of this article are published around each bottle. It contains Witch Hazel, Mentha, Arnica, Rock Oil, Carbolic, and ingredients hitherto little known. It is an indisputable fact that the Centaur Liniment is performing more cures of Swellings, Stiff Joints, Eruptions, Rheumatism, Neuralgia, Sciatica, Caked Breasts, Lock-jaw, &c., than all other Liniments, Embrocations, Extracts, Salves, Ointments, and Plasters now in use.

For Toothache, Earache, Weak Back, and Cutaneous Eruptions it is admirable. It cures burns and scalds without a scar. Extracts poison from bites and stings, and heals frost-bites and chilblains, in a short time. No family can afford to be without the Centaur Liniment, white wrapper.

The Centaur Liniment, yellow wrapper, is adapted to the tough skin, muscles and flesh of the animal creation. Its effects upon severe cases of Spavin, Sweny, Wind Gall, Big Head and Poll Evil, are little less than marvellous.

Messrs. J. McClure & Co., Druggists corner Elm and Front streets, Cincinnati O., say:

"In our neighborhood a number of teamsters are using the Centaur Liniment. They pronounce it superior to anything they have ever used. We sell as high as four to five dozen bottles per month to these teamsters."

We have thousands of similar testimonials.

For Wounds, Galls, Scratches, Ring-bone, &c., and for Scrow Worm in Sheep it has no rival. Farmers, Livery-men, and Stock-raisers, have in this Liniment a remedy which is worth a hundred times its cost.

## PITCHER'S

## CASTORIA.

Mothers may have rest and their babies may have health, if they will use Castoria for Wind Colic, Worms, Feverishness, Stomach Croup, or Stomach Complaints. It is entirely a vegetable preparation, and contains neither mineral, morphia, nor alcohol. It is as pleasant to take as honey, and neither gags nor gripes. Dr. E. Dimock, of Dupont, O., says: "I am using Castoria in my practice with the most signal benefits and happy result."

This is what everyone says. Most nurses in New York City use the Castoria. It is prepared by Messrs. J. B. Rose & Co., 46 Dey street, New York, successors of Samuel Pitcher, M. D.

## Why do You Shake?

For the convenience of the consumer the proprietors of Dr. Sherman's Malarifuge now put it up in 75 cent bottles as well as \$1.60 as heretofore. To those who have used the Malarifuge, it is not necessary to say a word in its behalf; but to those who have shaken in ignorance of it we will say, try it and add your testimony to thousands of others, that it cured you. No other medicine is required, as it is a combined tonic, alterative, cathartic, febrifuge, cholagogue and anti-periodic. It neutralizes miasmatic poison, purifies and invigorates the blood, restores the Liver and other diseased organs to their natural healthy condition, there by thoroughly eradicating the disease.
